

Hello Travelers!!!

As promised during our inaugural meeting here are all of the materials (information, order forms, etc.) for our first of 5 full-group fundraisers 😊 It is important that you read the Fundraiser Instructions page thoroughly and keep a copy to refer back to over the course of the fundraiser.

We (your trip leaders) are very excited to be partnering with the local and incredibly popular company *Cowgirl Chocolates*. Their generosity and dedication to our cause (your educational travel abroad) are responsible for making this fundraiser possible so please be sure to thank them 😊 On a similar note, to ensure the sale runs smoothly it is imperative that we all adhere to the following timeline:

Today; Sellers may begin taking orders

Saturday, Feb. 1st; Deadline for placing chocolate orders with Cowgirl (Note: Sellers may submit their chocolate orders prior to this date.)

Monday, Feb. 10th; Chocolates available for pickup from Cowgirl

Friday, Feb. 14th; Chocolates must be delivered on, or before this date.

Though it seems eons away, we (your trip leaders) know from experience our incredible journey together will be here before you know it, and therefore we encourage you to get out there, have FUN and sell as many delicious truffles as you can!!

~daniel (on behalf of all your Global Xpeditions leaders)

A short survey email will be going out to you regarding your participation (or intended participation) in this full-group fundraiser in the coming weeks. It is intended to assist our partners at *Cowgirl* so they are prepared to fill your crazy-big orders so please be on the lookout for that email 😊
